

TELLINGTON TOUCH TRAINING DAY

WITH TRUDY AFFLECK

AT

DUNTISBOURNE ABBOTS VILLAGE HALL

10.30 am.

SUNDAY, 20th NOVEMBER, 2016

Trudy Affleck is a Tellington TTouch Practitioner and owner of 5 donkeys that regularly go out and about and also compete at shows in long-reining, driven and in-hand classes.

With co-author, Sarah Fisher, Trudy has produced a book "The Healthy Donkey" which covers many aspects of donkey care with a focus on the use of Tellington TTouch techniques to build calmness, trust and confidence in the donkey. Copies of the book will be available for participants to see and purchase if they wish.

The day will give everyone the chance to learn about the Tellington method and explore through 'hands on' practical advice and discussion, how they might, as donkey owners, help their own donkeys be the best they can. Lilly (donkey) will be on hand to help with visual aids.

It would be helpful if participants could please give some thought to any issues that they would especially like to discuss with Trudy, and please let Judy know in advance of the day - (tel. 01285 821 445) email: jml.267@btinternet.com
